

According to the Department of Family and Protective Services, since the East Texas Heart Gallery began, the number of inquiries of older, adoptable children has tripled.

Help us keep the momentum going.

The Heart Gallery will feature a minimum of 70 children's portraits this year. On average, it costs about \$4,000 to recruit a family for a child or sibling group.

As a Heart Gallery donor, your dollars directly support the exhibit as it tours East Texas, helping with the recruitment of families and creating awareness for the need. In-kind donations are also welcomed. Contact us for more information, 1-866-787-ADOPT, East Texas Heart Gallery, 222 CR. 3873, Mineola, TX, 75773.
